CAREER OBJECTIVE

A passionate and results driven graduate with bachelor degree in computer science and engineering seeking a challenging role in an IT company to leverage technical skill and problem solving ability working forward to fulfill client demands.

EDUCATION

- B.E. CSE-MOUNTZION COLLEGE OF ENGINEERING AND TECHNOLOGY[2022 - 2026] - " CGPA: 8.1 "
- HSC-KARAIKUDI MAHARISHI VIDHYA MANDDIR[2022] - " 82.17% "
- SSLC-KARAIKUDI MAHARISHI VIDHYA MANDDIR[2022] - " 89.20% "

TECHNICAL SKILLS

- ProgrammingLanguages: Java, Python
- Web Technologies: HTML, CSS, JavaScript, Next.js
- Database: MySQL
- Tools: VS Code
- Core Concepts: Basic concepts of Data Structures , Algorithms, OOPS, OS & DBMS.
- Competitive Programming: Solved 200+ problems on LeetCode,HackerRank, Skillrack &OneCompiler.

LANGUAGES

- English
- Tamil

PROJECT

Fitness Tracker Dashboard – Developed a real-time web application to monitor, analyze, and visualize health and physical activities using Next.js, Tailwind CSS, and ShadCN UI. Implemented interactive charts, data visualization, and activity insights for enhanced user engagement and progress tracking.

Certificate Generator – Built a digital certificate generation system with PDF export and QR code-based authentication for secure document verification. Designed a user-friendly interface using Next.js and TypeScript, ensuring reliability, scalability, and easy verification by third parties.

INTERNSHIPS

Intern-Zed Index(2025)

- Built fitness tracker dashboard and certificate generator using Next.js ,Chart.js and TailwindCSS.
- Gained hands-on experience with Framer Motion and TypeScript.

Intern-Imbedsoftware(2024)

- Built portfolio and homepages using HTML and CSS.
- Gained hands-on experience in building and maintaining websites..

CERTIFICATIONS

- Introduction to MongoDB
- Robotic Process Automation
- Java GUI Architecture Bootcamp
- Core principles of occupational health and safety

EXTRA-CURRICULAR

- 24hrs Workshop, Hackathon,Value Added Course &Bootcamp (Java,Web development,Python)
- Paper Presentation(JJ college,Trichy)

STRENGTHS

- Quick learner and adaptable to new technologies.
- Strong communication and teamwork skills.
- Consistent performer under pressure.
- Time management and creative thinking skill.
